abirafri87@gmail.com

PROFILE

A highly motivated Junior Full-Stack Developer with a passion for building fast, modern web applications using the MERN stack (MongoDB, Express, React, Node.js). Proficient in developing responsive front-ends with React and designing robust back-end APIs. Eager to apply my hands-on experience in full-stack development to solve complex problems and contribute to high-impact projects while rapidly expanding my skill set.

WORK EXPERIENCES
